## INTRODUCTION

In 1992, CABETAC initiated a project in developing a series of bilingual glossaries in Chinese and Korean. At present, the following glossaries are available from the CABETAC office:

Junior High School General Science: Chinese \& Vietnamese
High School General Science: Chinese, Burmese \& Bengali
High School Pre-Calculus \& Calculus: Chinese
High School Integrated Math I: Chinese
Math II: Chinese \& Bengali
Math III: Chinese
High School Science- Biology: Chinese, Korean, Bengali

- Chemistry: Chinese \& Korean
- Physics: Chinese \& Korean

High School Social Studies-Global History: Chinese, Korean, Bengali,
Vietnamese \& Burmese
The High School English-Burmese Social Studies: Global History Glossary is one of the series developed by CABETAC under the auspices of the Office of Bilingual Education, Board of Education of the City of New York. This project is made possible by a grant from the Office of Bilingual Education, New York State Education Department.

The glossaries developed by CABETAC have been serving as a study aid for Asian bilingual high school students who are already knowledgeable in the subject areas in their own native languages. Furthermore, these glossaries are approved to be used by bilingual students as a test aid when taking the Regents examinations. The CABETAC staff believe that the glossaries can help Asian bilingual students in keeping pace with the national movement of raising standards for all students.

For information or recommendation, contact CABETAC office, Office of Bilingual Education, c/o Seward Park High School, 350 Grand Street, Room 518, New York, NY 10002. Telephone:(212)677-0493. FAX: (212) 677-0398.
