Assalam o Alakum, my name is \_\_\_\_\_. I work for the Afghan Center for Socioeconomic and Opinion Research (ACSOR), an independent research organization working in Afghanistan. We are studying community-based schools, also called CBS, in **[BAMIYAN/DAYKUNDI/GHOR/HERAT/KAPISA/PARWAN]** province. We understand that there is a community-based school in your area and that you teach at this school. We do not work for the organization that is managing the school or the Ministry of Education. We work with education organizations to learn about the functioning of community based schools. I would like to interview you to learn more about your experience and more generally, education in this village. Please understand that your responses to this survey will have no effect on your employment. You may end the survey at any time or refuse to answer any questions that you do not want to answer.

Your participation may help us understand the process of delivering better education services in **[BAMIYAN/DAYKUNDI/GHOR/HERAT/KAPISA/PARWAN]** province. We very much appreciate your participation. Your participation is purely voluntary; you are being very generous with your time. The survey will take approximately 40 minutes.
